

# Career & Transfer Day

Wednesday, September 22, 2010

On the Butte College Main Campus

*An event to introduce students and prospective students to careers and opportunities offered at Butte College and to over 40 college and university representatives.*

## **Activities include:**

- A tour of Butte College campus facilities and campus programs.
- Hands-on career related activities.
- Learning about more than 60 career programs offered at Butte College.
- The opportunity to speak with representatives from approximately 45 public and private universities from up to 8 states.
- One-on-one opportunity to ask admission and major-specific questions to a university representative.
